

PRESS PLAY ON SAFETY CONVERSATIONS

Improving safety for all is our priority.

Safety conversations are an important step in building our safety culture.

Let's talk!

Share your feedback on safety:

How safe is your care? What can we do to improve safety at ESS?

Let us know! Complete our online form:

www.surveymonkey.com/r/ESS_Safety_Feedback

We invite you to learn more about our efforts to keep everyone safe, by visiting our website.

#CPSW2022 #SafetyConversations

Canadian Patient Safety Week is happening from Oct 24 – 28. This week, and every week, it's important to press play on safety conversations.
